

The Caliente and Riva Rooms may be booked together as one space or reserved separately. Sliding glass panel doors separate each room from the foyer and may be open or closed. Floor to ceiling windows face the lake and the balcony has a glass ledge.

Caliente Room capacity is 56.

Caliente Room tables perpendicular to the windows may be set for up to 12 guests when seating the end caps.

Riva Room capacity is 102.

Riva Room round tables have leaves and become 36" squares when closed. Tables perpendicular to the windows may be set for up to 10 guests when seating the end caps. The center raised banquet booth is often the head table when the leaf is used and comfortably seats up to 10 guests.
